DEADLINE FOR OFFICIAL/UNOFFICIAL/PERSONAL NOTICES IS WEDNESDAY, 9 A.M.

OFFICIAL

FLAGS AT HALF STAFF: The flags of the United States flew and will remain flying at half staff at the Kennedy Space Center in compliance with the Proclamation by the President, as a mark of respect for the victims of Hurricane Katrina, from September 4 through sunset, September 20, 2005. (TA-G)

CIVIL SERVANTS REBADGED: NASA Headquarters has directed that all NASA Civil Servants be re-badged with the new, "One NASA" identification badge. In compliance with the requirements for more positive identification of federal employees contained in Federal Information Processing Standards (FIPS) Pub 201, employees will be required to show two forms of identification before the new badge may be issued. A current NASA badge will suffice for one form of identification and the other may be nearly any form of government issued identification, such as a driver's license, military ID card, Social Security card or Passport. The complete List of Acceptable Documents supporting identification may be found on Page 3, <http://www.clt.cornell.edu/campus/sds/i-9.pdf>. A copy of this list is also available at Pass and Identification Station (PIDS) 1 (Gate 1 Badging Station), PIDS 3 (near US1 on State Route 405), and at the Visitor Record Center, Headquarters, Room 1470. Because of the identity verification process and the computer data entry at the time of re-badging, we estimate the entire "One NASA" identification badge process will take at least fifteen minutes. At least initially, re-badging services will be available only at the Visitor Record Center, Headquarters, Room 1470 between 8:00 am and 3:00 pm on weekdays. The new "One NASA" badge does not have area authorization numbers on the back, so we will also issue a new Area Permit, with existing area access numbers, when we issue the new "One NASA" badge. Re-badging will begin on September 19. In an effort to reduce delay time for re-badging, appointments are available by calling 867-7763. Walk-ins are accepted but personnel with appointments will be served first. Deadline for obtaining the new, "One NASA" badge is January 31, 2006. Contractor employees will be re-badged with the "One NASA" badge after the first of the year. (TA-G)

2005 FLORIDA DISABILITY MENTORING DAY NEWS ITEM: NASA KSC Civil Service and Contractor employees are encouraged to *get involved* in Disability Mentoring Day (DMD) at KSC on October 25, 2005. It provides students with disabilities the opportunity to spend one-day with the KSC/CCAFS Family. Employees are matched with students, take students to their work sites, and provide a 4-6 hour enriching experience for the student. This experience allows students to learn firsthand about different types of careers, make the connection between school and work, and target career paths.

This is a great way for the KSC/CCAFS Family to gain an understanding of what students with disabilities have to offer, identify potential recruiting candidate and demonstrate community and professional leadership.

For mentor applications please contact Lisa Arnold via email Lisa.R.Arnold@nasa.gov. All applications must be received on or before September 22, 2005.

Direct inquires and/or questions to Jennifer Skaja at j.skaja@floridaspaceauthority.com.

SAVE THE DATE: **Saturday, October 29, 2005,** 6:00pm to 12:00 midnight, Holiday Inn Express Convention Center, Cocoa, Florida. KSC/CCAFS HEALTH EDUCATION & WELLNESS PROGRAM

Current Website: <http://sgs.ksc.nasa.gov/sgs/sites/other/chs/omehs/occmed/home/index.cfm?page=hew>

Soon to be Released Website: <http://www.hewp.ksc.nasa.gov>

SEPTEMBER 2005 FOOD SAFETY: September is National Food Safety Education Month. Not only is it important to know how to properly handle food on a day-to-day basis, it is also important to know how to handle food and water during power outages and when in outdoor environments, particularly during hurricane season.

Hardcopies of the packet will be available at all medical and fitness facilities. If you or your department/organization would like to be added to the monthly packet hardcopy distribution list, please call Kris Calderon at 867-3414. The food safety packet will also be available on the *soon-to-be released new HEWP website*: <http://www.hewp.ksc.nasa.gov>. It is expected that the new website will be live by mid September.

****HEALTH EDUCATION INFORMATION TABLE**:** The monthly health education table will be set up in the MFF cafeteria (VAB area) on September 8th from 11:00 am to 1:00 pm where HEWP staff will distribute food safety information.

FUEL 4 WOMEN

The KSC/CCAFS HEWP has launched a new women's health program titled **Fuel 4 Women**.

Fuel 4 Women Newsletter: This month's *Fuel 4 Women* newsletter is on menopause. The newsletter will be available at all spaceport clinics and fitness centers and will be distributed at this month's Health Education Information Table.

***Fuel 4 Women Special Event:** Wednesday, September 21st from 9:00 am.-1:00 pm at the OHF Training Room the Florida Osteoporosis Board will be providing free bone density screenings (Sahara heel ultrasound) to all spaceport employees.

Screening Recommendations: According to the National Osteoporosis Foundation, all men and woman 65 years or older should be screened. All postmenopausal women younger than 65 presenting with fractures, all postmenopausal women younger than age 65 with one or more risk factors for osteoporosis, and women on hormone replacement therapy for prolonged periods are also recommended to get a bone density screening. In addition to women, men younger than 65 should get a bone density screening if presenting with fractures from little trauma, or have other significant risk factors for osteoporosis.

Fuel 4 Women List Serve: All women at the spaceport can join the Fuel 4 Women list serve where monthly newsletters and program announcements will be e-mailed to list serve members each month.

Please contact Jessica Crews, Health Education Intern at **Jessica.Crews@jbosc.ksc.nasa.gov** for more information about or ideas for *Fuel 4 Women* and to join the list serve.

NEW EXTERNAL HEWP WEBSITE: The HEWP website will have a new look and will be available outside the KSC firewall! This means that you can access the HEWP website from anywhere on the web. The new website is expected to be live by mid September and will be located at <http://www.hewp.ksc.nasa.gov>.

NUTRITION EDUCATION FOR WORKERS AT THE SPACEPORT (N.E.W.S.) PROGRAM: The N.E.W.S. program was created to educate workers at the spaceport about nutrition. The program includes a comprehensive website with an e-mail mechanism to ask nutrition questions, monthly lectures, and special events. Check out the NEWS website at <http://sgs.ksc.nasa.gov/sgs/sites/other/chs/omehs/occmcd/home/index.cfm?page=NEWSProgram>

***Special September N.E.W.S. Program Workshop*:** The September N.E.W.S. (Nutrition Education for Workers at the Spaceport) workshop, offered jointly this month with the EAP, will host a guest registered dietician and will be on Nutrition for Diabetes. The workshop will be held on Wednesday, September 28th from 11:30 a.m. to 12:30 p.m. in the OHF Training Room.

STRESS MANAGEMENT WORKSHOP": Any employee group can request delivery (at any time of the year, during the workday) of a newly developed, interactive workshop designed to teach employees how to handle stress at their workplace and in their lives. The workshop can be condensed to 30 minutes or extended to more than an hour for optimizing coping and relaxation skills.

Kris Calderon, PhD, CHES, BCIAC, KSC/CCAFS Health Education Administrator will be offering this workshop. Kris is certified in biofeedback and has used relaxation training for stress management in her teaching, service, and research. If interested, please contact her at 867-3414 or e-mail at Kristine.Calderon@jbosc.ksc.nasa.gov for more information. The workshop can be delivered in any worksite setting.

SEPTEMBER VISION SCREENING SCHEDULE: No appointment is necessary. Visit the OHF during this time and ask for a vision screening.

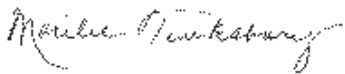

Tuesday September 27 11:00 am-1:00 pm

COLORECTAL CANCER SCREENING: Small amounts of blood in your stool, which can be detected with hemoccult slides, can be an indication of colorectal cancer. Hemoccult slides and instructions are available at all medical facilities during hours of operation.

WORKSITE LECTURES": Work-site lectures on any health subject and requests for health information or counseling are available upon request to Kris Calderon, phone: 867-3414, e-mail: Kristine.Calderon@jbosc.ksc.nasa.gov. (TA-C2)

SPACEPORT ROCKETRY ASSOCIATION: SRA will hold its monthly high power sport rocket launch this Saturday, September 18, from 11:00 am to 4:00 pm at its Palm Bay launch site. Current FAA waiver allows for flights to 10,000 ft. AGL. The club can accommodate rockets powered in the A through O motor classes (1/2 lb./sec. through 9200 lb./sec. impulse). M through O requires prior coordination. On-site vendors will offer among the largest selection of rocket motors, kits, and supplies in Brevard County. The website at <http://www.spaceportrocketry.org> will give club information as well as a list of club officers to contact for directions to the launch site. Additionally, after 7:00 AM on the morning of the launch, the latest launch status is given by recorded message at 772-564-9361 (useful information if the weather appears marginal).

BLOOD DRIVE: Everyone is welcome to donate! Central Florida's Blood Centers has scheduled the next blood drive for Wednesday September 21st from 8:00 am - 4:00 pm in front of the O&C Building (rescheduled from 9/14). Please consider donating, the blood centers are extremely low in blood supply. There will be two buses to accommodate everyone so the wait shouldn't be too long. You can also schedule an appointment with me (appointments are preferred). All donors will receive 50% off regular admission to Pirate's Dinner Theater, and a free t-shirt! And don't forget to bring your Club Red card to receive discounts to Darden Restaurants. To schedule your appointment, e-mail Aida Teague at teaguan@kscems.ksc.nasa.gov. For more information on giving the gift of life, check out www.floridasbloodcenters.org.

KSC TOASTMASTERS: Space Center employees are constantly in the public eye and in situations which require them to represent the United States Space Program. Employees are encouraged to develop their communication and leadership skills to meet this challenge. Toastmasters International is a professional, multi-level training program for both beginning and advanced education in the critical skills of "listening, thinking, and speaking"—all important tools in both the work environment and your personal lives. NASA has recognized this by reimbursing civil servants for the cost of training. For more information on the Toastmasters organizations and the three different locations/dates for training sessions at KSC and CCAFS, contact Mike Schnoke, Jack Jamba, Bill Cleaver, or Nona Mamaradlo at 784-7502.
